CAMPING TARIFF 2018

CAMPING MAY - SEPTEMBER

The campsite on Herm is situated within easy access of the bays and beaches and has magnificent views over the East Coast. The White House Hotel, Mermaid Tavern, snack bar, restaurant and shops are all within 10 minutes' walk of the campsite. You will find that the island has everything you require for a thoroughly peaceful and enjoyable camping holiday.

Many of our guests fish, while others swim, walk and explore this small but tremendously interesting island. Or you may prefer just to relax and let "island magic" do its work. The campsite has its own warden who will help to ensure that your holiday is as enjoyable and trouble-free as possible.

Should you wish to bring your own tent etc., then arrangements can be made to transport it to Herm and to deliver it to the campsite in advance.

EATING OUT

Campers are welcome to eat in the island's restaurants which are open from April until September. They are very popular with locals so advance booking may be necessary to ensure a table on your day of arrival. Please let us know beforehand and we will reserve a table.

GROCERIES

A good range of basic groceries is available on the island. A grocery list can be downloaded from our website – www.herm.com/camping/. Goods will be delivered to your site at the time of your arrival.

RIGHT OF ADMITTANCE
