

Travel Trident Ferry Transport

Travel Trident

The Travel Trident ferry sails daily and takes just 20 minutes from St Peter Port Harbour to Herm Island. It usually leaves from 'Inter-Island Quay' but can also depart from the 'Weighbridge' depending on the height of the tide. **Please note that the Cambridge Steps departure point is no longer used.**

From 1st May until 30th September the Travel Trident ticket office at the Weighbridge will be open from 8am until 5.15pm. If there is an evening boat the kiosk will stay open until 7pm. Tickets are not available on the boat when the kiosk is open.

All travellers will need to check in at the main Travel Trident kiosk which is located at the Weighbridge before boarding boats and they will be told where their boat is departing from. The first and last boat generally leaves from Inter-Island Quay but does occasionally vary depending on the state of the tide. You will be told from where the boat will depart as you buy your ticket from the Trident Kiosk located at the Weighbridge.

If you are in any doubt please telephone either the kiosk on (01481) 721379 or Herm Island on (01481) 750000.

If the Travel Trident kiosk is closed passengers should buy their ticket from the boat crew.

Getting to the ferry

If you are staying at a hotel on Guernsey then ask reception staff about the easiest way to get in to St Peter Port. They should be able to advise you on local buses and bus routes. Alternatively they could contact the bus depot, the Travel Trident Kiosk or Herm Island for advice.

An alternative local taxis are available to book to take you from your accommodation direct to the Travel Trident kiosk or the boat.

Or you could cycle into town - there is a bike shelter in the North Beach carpark near the Weighbridge.

Local Bus Services

There is a great island-wide bus network, each journey cost just £1. The three bus stops nearest to the Weighbridge are located opposite the Tourist Information Centre, at the bottom of St Julian's Avenue or along Glatigny Esplanade. When you are making your journey ask the driver to drop you as close to the Weighbridge as possible. If you have any queries ask at the St Peter Port bus terminus, call 01481 700456 or www.buses.gg

Car Parking

All public car parking on Guernsey is free. The only thing you must remember to do is set your parking clock! Failure to do so will incur a fine from the local traffic wardens. Parking clocks are usually provided in all hire cars. If you are travelling from further afield in your own car, parking clocks can be purchased from the Police Station, Information Centre, most garages and a number of other retail outlets. You are restricted in how long you are allowed to park, so please pay attention to the signs indicating the various timed zones. The 10 hours spaces in the North Beach carpark usually fill up fairly early in the morning but space can be more easily found at the Salerie Corner car park which is only a short 10 minute walk from the Weighbridge ticket kiosk. From May to September there are a limited number of parking spaces available from the Travel Trident kiosk which are located on the 'East Arm' of the Harbour area. These spaces cannot usually be pre-booked and there is a charge, unlike the public car parks.

Guernsey Harbour map

The map below shows the location of the Inter-Island Quay and Weighbridge departure points used by the Travel Trident ferry and that of the ticket kiosk. It also shows the closest car parks for those coming in their own cars.
