POLITE NOTICE

We always look forward to welcoming guests to Herm and our whole island team work hard to provide a friendly, polite and helpful service and an excellent guest experience for everyone.

Herm is work AND home to a number of permanent residents who enjoy showcasing and sharing it with guests and appreciate that most visitors are as passionate about the island as we are.

However, whilst we always strive to be polite and understanding, we will not tolerate rude or aggressive behaviour in any situation and expect our guests to treat Herm staff in the same polite and respectful manner that they would expect for themselves.

If you have any serious complaints about our staff or service, please address them to our hospitality director at: craigsenior@herm.com. Offensive, threatening or bullying behaviour may result in guests being asked not to return to the island.

'It's nice to be important, but it's more important to be nice.'
