

CORONAVIRUS UPDATE STATEMENT FOR HERM ISLAND GUESTS & VISITORS **16th November 2020**

Herm Island is currently only able to welcome visitors and guests from the BAILIWICK OF GUERNSEY until further notice. We are, however, accepting bookings from non-Bailiwick residents for 2021 **with a *GUARANTEED credit note or transfer if travel restrictions continue beyond your booking date.***

It is now looking unlikely that the States of Guernsey will reopen borders without restriction to Jersey, UK & International guests until, hopefully, sometime in 2021. In the meantime, the Civil Contingencies Authority has imposed a requirement for all non-Bailiwick residents to self-isolate for either 7 or 14 days on arrival into the islands, dependent on your country or region of origin.

Please see [States of Guernsey website](#) for details.

- For Bailiwick residents The White House Hotel is offering some weekend dates in November & December as well as festive packages, please refer to our website for more information.
- Bookings can be made online up to 11 months in advance.
- Herm cottages have availability for minimum 3-night stays (minimum 7-night stays in premium cottages) from Oct - Apr at low tariff rates.
- Equipped tent camping bookings will be available early in the New Year. Please contact our reservations team if you would like to join a waiting list for future seasonal pitch availability.

CURRENT TRAVEL RESTRICTIONS TO HERM

Whilst the Bailiwick of Guernsey has formed a 'Bailiwick bubble' with Guernsey, Alderney, Sark and Herm, we sincerely regret that all visitors from outside the islands, including Jersey, are required to self-isolate upon entry until restrictions have been lifted by the States of Guernsey. Whilst we are deeply saddened that so many of our loyal guests will not be able to join us this year, we hope we can welcome you back again very soon, safe in the knowledge that:

- Herm Island has had no cases of Covid 19 and is possibly one of the safest places in the world for a staycation holiday.
- Herm was the first Channel Island to close its borders to maintain the health of residents and staff.
- The Herm team has implemented stringent sanitisation and housekeeping procedures which will be ongoing to ensure the continued safety of guests.

Thank you for your ongoing support and we hope to welcome you back to Herm again very soon.
