

TRAVEL TRIDENT & HERM ISLAND LUGGAGE RESTRICTIONS

Travel Trident, in collaboration with Herm Island, is now restricting luggage for all guests to TWO items or bags per passenger with a maximum weight of 20kg per item.

This is to ensure an efficient service is provided for all visitors and guests and helps Trident deliver a timely boat service and prompt embarking and disembarking of passengers. The Herm service team also provide complimentary portering for guests arriving in Herm so this would greatly assist our ability to continue this service.

Volumes of luggage have gradually increased over the years and become more difficult for both Trident and Herm Island employees to handle, particularly when docking at Rosaire Steps. It would therefore also be preferable, if travelling with luggage, that you select a sailing that arrives or departs from Herm Harbour. Please check with Travel Trident or check tide times (the boat docks at Herm Harbour up to 3 hours either side of high tide). If you do arrive or depart from Rosaire, you will be required to carry your own luggage up or down the steps (unless special assistance is requested via the Herm reservations team - 01481 750000).

Self-catering holiday cottage or campsite guests can pre-order groceries to be delivered ready for your arrival. Please use this service as it will greatly alleviate the need to bring all your food shopping on-board. A downloadable order form can be found at the end of our cottage or camping pages.

(This should be emailed to reservations@herm.com at least 10-14 days prior to arrival).

The new Herm Harbour Cafe will provide a LIMITED supply of groceries, and will be open daily from April. If you would like more groceries during your stay that are not available in the cafe, please order before 12pm for next day delivery, subject to availability and weather permitting.

All outlets in Herm now operate CASHLESS payment whenever possible.

NB: Travel Trident is a separately owned business so all boat sailing related queries should be directed to the Travel Trident company. For daily updates of sailings and timetables please visit: www.traveltrident.com

We hugely appreciate your understanding and support.
