Mermaid Festival 2021

7th - 11th September

Due to the situation in the UK, it has been a real challenge sourcing a diverse range of ales. With pubs and bars mostly closed, the small independent micro-breweries are not producing much, if any, ale. The ale selection for this festival therefore comprises of some of the more well-known ales that have been strong favourites of ale drinkers across Britain for many years.

Main Mermaid Bar 1: draught craft beers (the fizzy stuff) and real ales, wines, Champagnes, rums, gins & soft drinks

Top Deck Bar 2: 20 x real ales, 18 x real ciders
